Choose Your Next Extender

[www.KramerAV.com](http://www.KramerAV.com)

**Whether you need to get your signal to the next device, room, city, or continent – We have the right extender for your installation. Our vast range of extenders caters for any signal, resolution, distance, room design and technology. Kramer provides extension tailored to your connectivity, functionality and deployment needs.**

**Secured**

**Versatile**

**Smart**

**So much more than simple  
P2P extension!**

**Standard**

**Compact**

**Affordable**

### Repeater

- Plug and play
- Simple
- Affordable
- Short range

### Any Wire

- Uses existing infrastructure
- Ultimate deployment solution
- Long range

### DGKat

- Affordable
- Compact
- Bidirectional powering (PoC)
- Medium range

### Fiber

- Secure
- Resilient to signal interference
- Reliable
- Ultra-long range

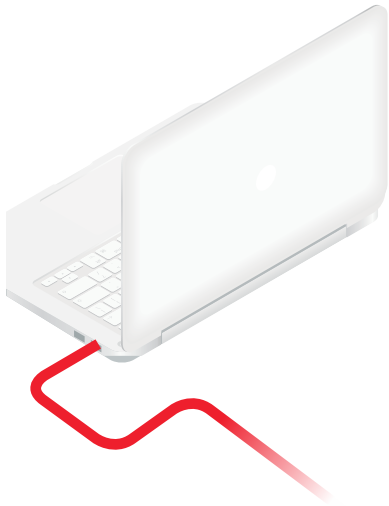

### HDBaseT

- Market standard
- Solution building block
- Extends diverse signal mix
- Long range

### WAN

- Scalable
- Diverse AV applications
- Uses existing IT infrastructure
- Unlimited range

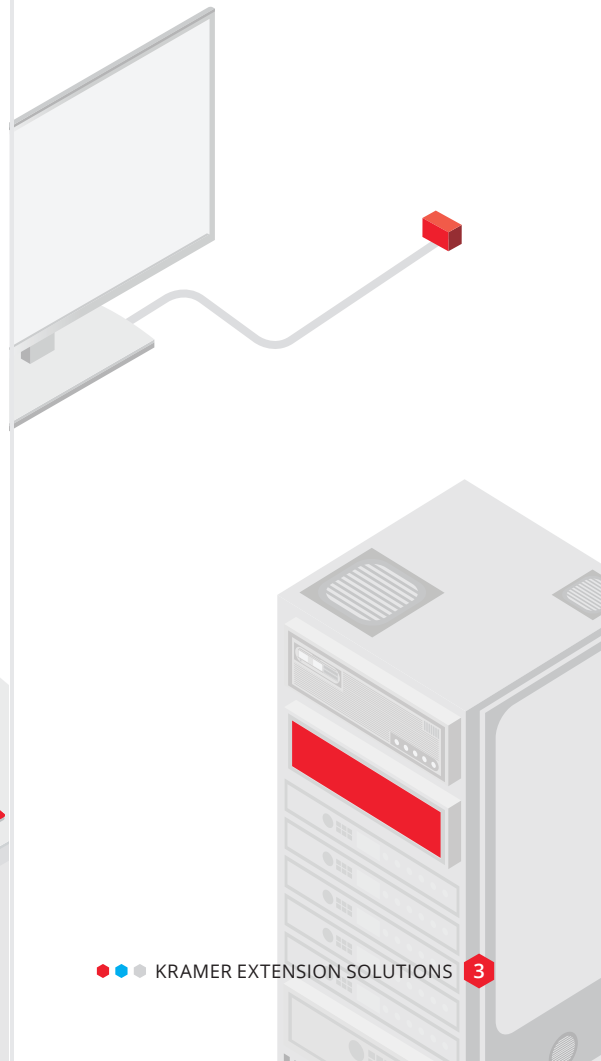

### Adapters & Cables

### Wall Plates

### Standalone Devices

Corporate

Government

Residential

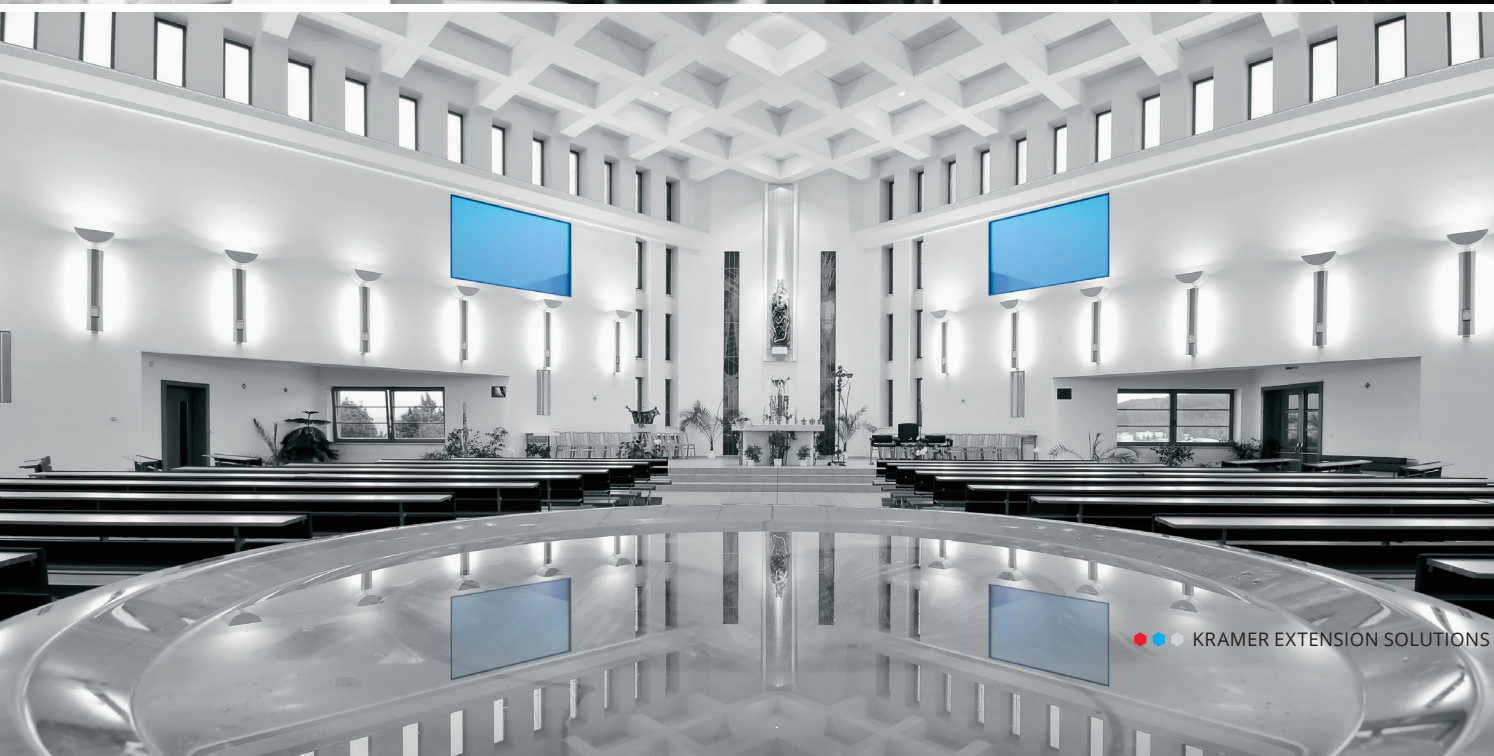

The first is revenue-sharing, where the website pays you a certain amount for every view or ad click from your post. This method can earn you some pocket money, but it's not quite as lucrative as the second option.

**STORYTELLING**

If you've got writing skills, put them to work helping you make money online. But with so many sites to choose from, where should a wannabe freelance writer start?

Ready to make money online?

Try your hand at the pen instead of the pennies that roll in from rev-share sites. The upside is that they often have a decent following, so you're reaching a broader audience in addition to getting paid.
