

# Inkjet White/Silver Professional

Inkjet Printable

## Key benefits

- Innovative inkjet layer offering excellent absorption and reduced costs
- Low color-to-color bleed and fast drying performance, ideal for automated duplication systems
- Excellent high resolution print quality due to smooth surface and reduced size of receptors
- Superior whiteness offering intensity and real depth to the colors
- Faultless handling and printing in all inkjet based publishers and duplicators

## Quality

Uniform edge to edge printing

Photo-realistic quality printing, Excellent color contrast

Vibrant intense colors, Smooth color gradients

Clear, sharp small texts

# Inkjet Printable

## Technical

### Full surface printing

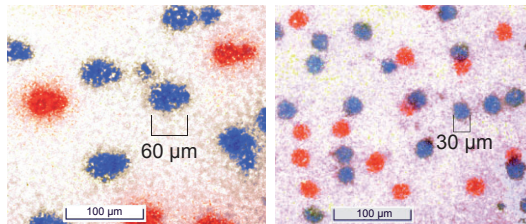

Generic inkjet media

FalconMedia inkjet media

Shade variation in the center

"Uniform white" across the whole surface
